**CROCODILES**  
Two types of crocodiles occur in much of the Kimberley. If you are not absolutely certain that a particular area is free of estuarine crocodiles, or there are warning signs, DO NOT:  
1. Swim or wade.  
2. Clean fish on or near water.  
3. Camp next to the water's edge.  
4. Allow your pets near the water.  
5. Dangle legs or arms over the edge of boats.  
6. Stand at the water's edge when fishing.  
Absence of warning signs does not signify a safe area. Seek expert advice before swimming, camping, fishing or boating.

**RECREATIONAL FISHING LICENCE**  
A licence is required for some types of recreational fishing within Western Australia. The licence and regulations are available from the regional offices of Department of Fisheries in Broome and Kununurra or head office in Perth.

**MIRIMA NATIONAL PARK**  
Much of the rock in this park is brittle and crumbly. Do not stand on or walk close to cliff edges. Stay on established tracks or if venturing further, ensure that someone knows your proposed route and expected time of return. Be prepared when walking. Wear a hat, sunscreen, sturdy shoes or boots and carry adequate drinking water.

## Wyndham Area

## Kununurra Area

**Kununurra to** (approximate distances):  
 WA/NT border (42km)  
 Lake Argyle (78km)  
 Diversion Dam (8km)
